DECLARATION

As a below-named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name.

I believe I am an original, first, and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled MULTI-SENSOR FUSION, the specification of which

☐ is attached hereto.

☒ was filed on October 17, 2001 as United States Patent

Application No. 09/981,660.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information that is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

I hereby claim the benefit under Title 35, United States Code, § 119(e) and § 120 of any United States application(s) listed below:

(Application No.)

(Filing Date)

(Status--patented,
pending, abandoned)

(Application No.)

(Filing Date)

(Status--patented,
pending, abandoned)

I acknowledge the continuing duty to disclose information that is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

I understand that execution of this declaration is required by the patent laws and that this document by itself does not create any attorney-client relationship between myself and Stoel Rives LLP or any of its attorneys.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
